

Demand the Best

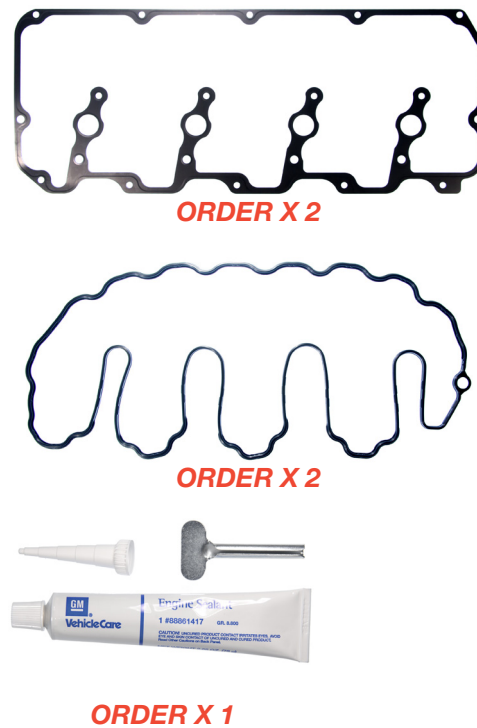

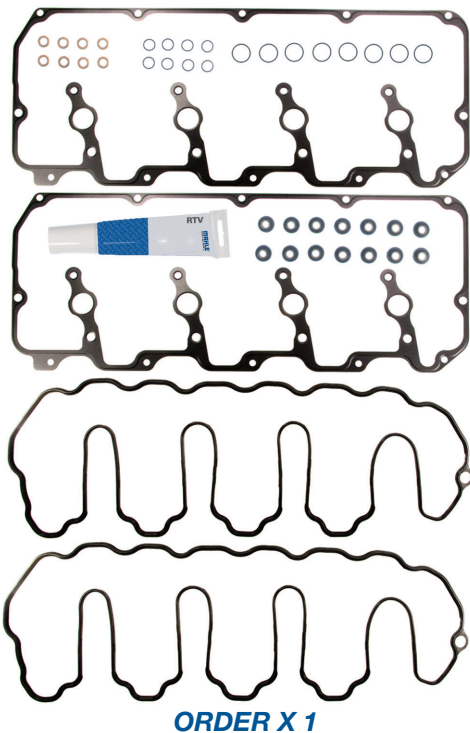

6.6L Duramax Diesel

Fuel injectors

MAHLE Aftermarket offers master valve cover sets to include all the necessary gaskets needed for installing the fuel injectors in a Duramax Diesel. The OE sells all the parts separately which provides you with extra parts you don't need... and added expense.

MAHLE Master SET Part #: VS50550
(Part # VS50551 & VS50549 are also available.
For specific applications visit our online catalog.)

OE Equivalent (individual pieces)
